PROSPECTUS

FOR ADMISSION TO MS/MD
COURSES, 2018-19

Foreword

This Handbook brought out by the Dr.Somervell Memorial C.S.I. Medical College, Karakonam is intended to provide all the required information to the students seeking admission to the MS/ MD course in the Medical College.

Dr.Somervell Memorial C.S.I. Medical College, the only Medical College for 50 million people of the 22 Dioceses of the Church of South India spread all over the five southern states and Sri-Lanka, belongs to the South Kerala Medical Mission, one of the several departments of the South Kerala

Diocese of the Church of the South India(CSI). The most important purpose behind the establishment of this college is to further the healing ministry of our church commenced by the missionaries more than a century ago and continued by those who served the Medical Mission so far, sacrificing all their personal comforts. They are our role models and inspiration that led us to embark upon the enormous venture of establishing a medical college. Our endeavor will always be to produce from this college morally upright, intellectually equipped and spiritually committed physicians and surgeons willing to serve humanity at large with a missionary zeal. We will do everything possible, curricular as well as extracurricular, to achieve this noble goal.

Many have tirelessly labored for the establishment of this college. It is my fervent prayer that all those who choose this institution for their professional study be blessed by God Almighty so that they become a great blessing to humanity.

Rt.Rev.A.Dharmaraj Rasalam
Bishop – South Kerala Diocese &
Chairman, Dr.S.M.C.S.I. Medical College & Hospital,
Karakonam

10	Sri. P. Thankaraj	:	Comptroller Dr.S.M.C.S.I. Medical College & Hospital, Karakonam

HISTORY OF THE MEDICAL COLLEGE

Dr. Somervell Memorial CSI Medical College, established in 2002 and Post Graduate courses started in the year 2012 attached to the century old Dr.Somervell Memorial Mission Hospital is situated in Kunnathukal village at Karakonam, Neyyattinkara in the southern border of the Trivandrum District of the State of Kerala. The Hospital, the Medical College and all other institutions attached to it are owned and managed by the South Kerala Diocese of the Church of South India (SIUC). This is the only Medical College for the CSI spread over the 5 Southern states of India and Srilanka. The South Kerala Medical Mission is a charitable society registered under the Travancore Cochin Literary, Scientific and Charitable Societies Registration Act XII of 1955. The office of the South Kerala Medical Mission is in the LMS Compound, Trivandrum 695 033, the Head Station of the CSI South Kerala Diocese which is one of the 24 Dioceses of Church of South India established in 1947 with Head Quarters at Chennai.

The Medical College is a self financing, minority institution, affiliated to the Kerala University of Health Sciences, Thrissur.

Karakonam is 30 kilometers south (by Kanyakumari Road) from Trivandrum Central Railway Station, abutting the Vellarada Road from Trivandrum as well as Parassala. Dhanuvachapuram Railway station on the railway line between Trivandrum Central and Nagercoil is only 30 kms away from the college.

The healing Ministry of the church aims at producing highly competent medical graduates and postgraduates, possessing a high standard of professional skill. They should, in the days to come, be precious assets to our nation. We are committed to create in the campus the best possible atmosphere and infrastructure for quality medical education. Our aim is to strive at instilling our students with a spirit of sacrifice, compassion for the poor, love that nurture knows no limits, utmost humility in service and all Christian values needed for a meaningful and useful life of a doctor for which the founding fathers stood and sacrificed their lives to revive the closed and ailing missions hospitals of rural India, especially among the tribals and thus strengthen the Healing Ministry of the Church.

HISTORY OF THE MEDICAL COLLEGE HOSPITAL IN BRIEF:

The multi-specialty Hospital at Karakonam, as we see it today, has grown out of a very small dispensary established in 1894 as a community medical sub centre of the famous Neyyoor Hospital founded by Dr. Arthur Fells, a missionary doctor of Neyyoor sent by the London Missionary Society (LMS). The dispensary, though 45 kilometers away from Neyyoor, was visited once in a week by the doctors to render medical help to the poor, illiterate, ignorant and ignored villagers afflicted by epidemics like malaria, cholera and small pox. The first building built for the dispensary is still kept intact in the hospital compound.

In 1922, Dr. T.H. Somervell, who came as one of the members of the team that came to India for an Everest expedition and later on became a legend in the field of healing ministry and surgery, took over the Neyyoor Medical Mission. The Hospital and the Medical College are named after this great Surgeon.

After India became independent and the foreign missionaries left, the Neyyoor Medical Mission was managed by the erstwhile South Travancore Medical Mission of the South India United Church. (SIUC). In 1947, SIUC became part of the CSI. In 1959, following the linguistic reorganization of the states in India, the South Travancore Diocese was bifurcated into the South Kerala and the Kanyakumari dioceses. The hospital at Karakonam, which came under the Kanyakumari diocese was later taken over by the Medical Mission of the South Kerala Diocese in the year 1975, the year the veteran Dr.T.H Somervell passed away in England. This lead to the naming of the small mission hospital as Somervell Memorial C.S.I Mission Hospital, Karakonam.

The Church of South India came into being in September 1947 as an integrated Church to bring a union of Anglican, Methodist, Presbyterian and the South India United Church in the four southern states of Tamil Nadu, Kerala, Karnataka, and Andhra Pradesh. The Church of South India Trust Association was constituted as a legal holding body of the movable and immovable properties of the Church of South India. The CSITA was registered in September 1947 under section 26 of the Indian Companies Act 1913 (new section 25 of the Indian Companies Act 1956) as a religious and charitable company which has no business character and with no profit motive. The properties of the Churches in Union have been transferred to CSITA. CSITA has been exempted from Income Tax under Section 10-(23c) (v) of the Income Tax Act 1961. It is recognized as a Charitable and Religious Organisation by the Government of India.

THE HOSPITAL TODAY

Passing through ups and downs, the hospital grew rapidly from 1986. It has developed from a 6 bedded dispensary into a 650 bedded multi-specialty hospital by a team of doctors who truly strived very hard.

The hospital has a network of community-based activities, carried on through its Rural Primary Health Centres. Free cataract detection and surgery, cancer screening and awareness camps, implementation of State and National Health Programmes, etc., are some of the community based activities the Hospital and the Medical College are engaged in. Insurance schemes viz RSBY launched by the Ministry of Labour, Government of India, Karunya Benevolent Fund (KBF) launched by the Government of Kerala, Hospital Insurance Scheme by Dr.S.M.C.S.I Medical College are being implemented successfully. This is how we carry on the missionary spirit that guided the founders to emancipate the poor and the needy from the bondage of poverty and disease.

THE BEGINNING OF THE MEDICAL COLLEGE

The Government of Kerala, for the first time in its history, took a policy decision in 2001 to permit the private sector to start self financing professional Colleges. One of the pre requisites for sanctioning a Medical College was the availability of a hospital with at least three hundred beds. The Somervell Memorial Mission hospital, Karakonam satisfied this requirement. On the application of the Medical Mission of the South Kerala diocese, the Government of Kerala granted *Essentiality Certificate* and University of Kerala, after due inspection, issued the Consent of Affiliation and permitted the diocese to apply to the Medical Council of India for the *Letter of Intent*. Medical Council of India after inspection issued the *Letter of Intent on June 20,2002*. The land and infrastructure required as per the norms of the Medical Council of India were made ready within a short period of six months with absolute trust in God Almighty who made the impossible – possible. *The Letter of Permission* was issued by Ministry of Health and Family Welfare, Government of India, New Delhi, on *13.11.2002*. and MBBS course with a student intake of 100 started in 2002-03. Permanent Recognition was granted by Government of India on 17th March, 2009. The MBBS seats are enhanced to 150 seats from the years 2016-17. MS/ MD courses in 11 subjects were started from 2012-13 with a student intake of 21 and all the courses are recognized by the Govt. of India, Ministry of Health &FW, New Delhi.

A VISION FOR THE FUTURE:

The founders of the SMCSI Medical College cherish a great dream about the future of this institution. Our desire and effort is to impart value-oriented quality medical education that will produce sincere and committed men and women ready to serve the poor people of rural India especially the tribals of our mission fields and our country where ever they are called to serve and thus be a witness to the healing ministry of the Church. The South Kerala Medical Mission has School of Nursing running General Nursing and Midwifery Course, College of Nursing for B.Sc. Nursing, M.Sc Nursing Courses, and various Diploma, Post Graduate Paramedical Courses & Post Graduate Medical and Surgical Courses in the campus. With the amenities now available and to be provided in the years to come, it is the hope and prayer of the founders that this Medical College, with its allied courses and the multi-specialty hospital will grow into an Institute of Medical Sciences and will earn fame as a great Medical Institution all over India and abroad.

We expect dedicated, selfless, sacrificial services from each and every member of the teaching staff, non-teaching staff, nursing staff, administrative staff, medical and nursing students, their parents, the well wishers and all those who, in one way or the other, happen to be

associated with this God-given institution. We take pride that this institution is our own and its growth and development are fully in our hands.

POST GRADUATE COURSE

The Medical Council of India after inspection issued Letter of Permission for starting of the following PG courses in the year 2012-13, with a student intake of 15 and enhanced to 21 seats from the year 2014-15.

VIII. ACCOMMODATION

- 8.1 Accommodation will be provided, by the College subject to the terms and conditions as applicable.

- 8.2 Food expenses will have to be borne by the students.

IX ATTENDANCE & LEAVE

- 9.1 A minimum of 80% attendance in each academic year is compulsory. Students availing long leave will be able to appear
- 9.2 for the examination only after additional six months / one year (refer www.KUHS.ac.in)
- 9.3 Those students who are required to do extended durations will have to pay additional fees.
- 9.4 Those students who miss University examination can appear only in the next university examination, which will normally be held within six months from the date of publication of result

X. DISCIPLINE

- 10.1 Decorum and dignity should be the motto of the students of Dr.Somervell Memorial Medical College. Keep up a refined culture in your words and deeds.
- 10.2 No one has the right to hurt another person mentally or physically. Hostels and college campus should be places of healthy and happy social life, mutual respect and exemplary behaviour.
- 10.3 The students are prohibited from all kinds of political activities, displaying posters, holding activities against the common interest, purpose or values of the institution.
- 10.4 Any action from the side of the students damaging or destroying the properties of the college or hospital will be viewed very seriously and a suitable action will be taken to make good the loss.
- 10.5 Students are expected to dress up neatly and decently. Jeans, Baggies T-Shirts and the likes are not permitted to be worn inside the hospital/ College.

XI RAGGING

Ragging is banned with campus of the Medical College as ordered by the Hon'ble Supreme Court of India and circulars issued by the Registrar, KUHS, Thiruvananthapuram. It is illegal according to the Law of the land to commit, participate in, abet or propagate "ragging". The institution will deal firmly and strictly with all instances of ragging. If any incident/s of ragging comes to the notice of the authorities, the concerned student/s will be given liberty to explain. If the explanation is not satisfactory, the authorities will expel the student from the institution.

XII Possession of Illicit Drugs, Alcohol and Smoking

Smoking is not permitted in public areas and on the campus of Dr. SMCSI Medical College. Students should not consume or serve alcohol on any occasion within the campuses of Dr. SMCSI Medical College. Forcing a fellow student to consume alcohol would be grounds for severe disciplinary action. The Indian penal code classifies obtaining, keeping or passing on banned drugs (such as marijuana, cocaine, heroin etc) as a criminal offence. Possession or use of banned drugs will result in expulsion from the college.

XIII. REDRESSAL OF GRIEVANCES

Any grievances/ complaints regarding selection and admission can be brought to the notice of the Principal/ Director of the college, within 24 hours of occurrence of the grievance. All complaints regarding selection of candidates for the PG courses shall be addressed to the Secretary, South Kerala Medical Mission who shall place the complaints before the Governing Council on emergency basis and communicate the decisions to the complainant at the earliest. Appeal if any shall be addressed to the Bishop & Chairman who shall convene emergency Governing Council Meeting. No changes in any policy matter will be entertained after the category wise results are published by the CEE, Trivandrum.

Principal

ANNEXURE I
