Foreword

This Handbook brought out by the Dr.Somervell Memorial C.S.I. Medical College, Karakonam is intended to provide all the required information to the students seeking admission to the MHA course in the Medical College.

Dr.Somervell Memorial C.S.I. Medical College, the only Medical College for 50 million people of the 22 Dioceses of the Church of South India spread all over the five southern states and Sri-Lanka, belongs to the South Kerala Medical Mission, one of the several departments of the South Kerala Diocese of the Church of the South India (CSI). The most important purpose behind the establishment of this college is to further the healing ministry of our church commenced by the missionaries more than a century ago and continued by those who served the Medical Mission so far, sacrificing all their personal comforts. They are our role models and inspiration that led us to embark upon the enormous venture of establishing a medical college. Our endeavor will always be to produce from this college morally upright, intellectually equipped and spiritually committed physicians and surgeons willing to serve humanity at large with a missionary zeal. We will do everything possible, curricular as well as extracurricular, to achieve this noble goal.

Many have tirelessly labored for the establishment of this college. It is my fervent prayer that all those who choose this institution for their professional study be blessed by God Almighty so that they become a great blessing to humanity.

Rt.Rev.A.Dharmaraj Rasalam
Bishop – South Kerala Diocese &
Chairman
Dr.Somervell Memorial C.S.I. Medical College & Hospital
Karakonam

I. INTRODUCTION

Dr. Somervell Memorial CSI Medical College, established in 2002, attached to the century old Dr.Somervell Memorial Mission Hospital is situated in Kunnathukal village at Karakonam, Neyyattinkara in the southern border of the Trivandrum District of the State of Kerala. The Hospital, the Medical College and all other institutions attached to it is managed by the South Kerala Diocese of the Church of South India (SIUC). The South Kerala Medical Mission is a charitable society registered under the Travancore Cochin Literary, Scientific and Charitable Societies Registration Act XII of 1955. The office of the South Kerala Medical Mission is in the LMS Compound, Trivandrum 695 033, the Head Station of the C.S.I South Kerala Diocese which is one of the 24 Dioceses of Church of South India established in 1947 with its head quarters at Chennai. This is the only Medical College for CSI spread over the 5 Southern states of India and Srilanka.

The College is a self financing, affiliated to the Kerala University of Health Sciences, Thrissur.

Karakonam is 30 kilometers south (by Kanyakumari Road) from Trivandrum Central Railway Station, abutting the Vellarada Road from Trivandrum as well as Parassala. Dhanuvachapuram Railway station on the railway line between Trivandrum Central and Nagercoil is only 3 kms away from the college.

The healing Ministry of the church aims at producing highly competent medical graduates and postgraduates, possessing a high standard of professional skill. They should, in the days to come, be precious assets to our nation. We are committed to create in the campus the best possible atmosphere and infrastructure for quality medical education. Our aim is to strive at instilling our students with a spirit of sacrifice, compassion for the poor, love that nurture knows no limits, utmost humility in service and all Christian values needed for a meaningful and useful life of a doctor for which the founding fathers stood and sacrificed their lives to revive the closed and ailing missions hospitals of rural India, especially among the Tribals and thus strengthen the Healing Ministry of the Church.

II HISTORY OF THE MEDICAL COLLEGE HOSPITAL IN BRIEF:

The multi-specialty Hospital at Karakonam, as we see it today, has grown out of a very small dispensary established in 1894 as a community medical sub centre of the famous Neyyoor Hospital founded by Dr. Arthur Fells, a missionary doctor of Neyyoor sent by the London Missionary Society (LMS). The dispensary, though 45 kilometers away from Neyyoor, was visited once in a week by the doctors to render medical help to

the poor, illiterate, ignorant and ignored villagers afflicted by epidemics like malaria, cholera and small pox. The first building built for the dispensary is still kept intact in the hospital compound.

In 1922, Dr. T.H. Somervell, who came as one of the members of the team that came to India for an Everest expedition and later on became a legend in the field of healing ministry and surgery, took over the Neyyoor Medical Mission. The Hospital and the Medical College are named after this great Surgeon.

After India became independent and the foreign missionaries left, the Neyyoor Medical Mission was managed by the erstwhile South Travancore Medical Mission of the South India United Church. (SIUC). In 1947, SIUC became part of the CSI. In 1959, following the linguistic reorganization of the states in India, the South Travancore Diocese was bifurcated into the South Kerala and the Kanyakumari dioceses. The hospital at Karakonam, which came under the Kanyakumari diocese was later taken over by the Medical Mission of the South Kerala Diocese in the year 1975, the year the veteran Dr.T.H Somervell passed away in England. This led to the naming of the small mission hospital as Somervell Memorial C.S.I Mission Hospital.

III. THE HOSPITAL TODAY

Passing through ups and downs, the hospital grew rapidly from 1986. It has developed from a 6 bedded dispensary into a 662 bedded multi-specialty hospital by a team of doctors who truly strived very hard.

The hospital has a network of community-based activities, carried on through its Rural Primary Health Centers. Free cataract detection and surgery, cancer screening and awareness camps, implementation of State and National Health Programmes, etc., are some of the community based activities the Hospital and the Medical College are engaged in. This is how we carry on the missionary spirit that guided the founders to emancipate the poor and the needy from the bondage of poverty and disease.

IV. THE BEGINNING OF THE MEDICAL COLLEGE

The Government of Kerala, for the first time in its history, took a policy decision in 2001 to permit the private sector to start self financing professional Colleges. One of the pre requisites for sanctioning a Medical College was the availability of a hospital with at least three hundred beds. The Somervell Memorial Mission hospital, Karakonam satisfied this requirement. On the application of the Medical Mission of the South Kerala diocese,

the Government of Kerala granted *Essentiality Certificate* and University of Kerala, after due inspection, issued the Consent of Affiliation and permitted the diocese to apply to the Medical Council of India for the *Letter of Intent*. Medical Council of India after inspection issued the *Letter of Intent on June 20, 2002*. The land and infrastructure required as per the norms of the Medical Council of India were made ready within a short period of six months with absolute trust in God Almighty who made the impossible – possible. *The Letter of Permission* was issued by Ministry of Health and Family Welfare, New Delhi, on 13.11.2002 and the Letter of Permanent Recognition on 17th March, 2009. MS/MD courses in eleven subjects with a student intake of 21 seats started from the year 2012-13. Letter of Permission for enhancement of MBBS seats from 100 to 150 from 2016-17 and renewal of permission for 150 seats during 2017-18 has been issued by the Govt. of India, Ministry of Health & Family Welfare as per letter No:U – 12011/14/2016- ME -1 dated 18/05/2017

V. A VISION FOR THE FUTURE:

The founders of the SMCSI Medical College cherish a great dream about the future of this institution. Our desire and effort is to impart value-oriented quality medical education that will produce sincere and committed men and women ready to serve the poor people of rural India especially the tribals of our mission fields and our country where ever they are called to serve and thus be a witness to the healing ministry of the Church. The South Kerala Medical Mission has School of Nursing running the General Nursing and Midwifery Course, College of Nursing for B.Sc. Nursing, M.Sc Nursing Courses, and various Diploma, Post Graduate Paramedical Courses & Post Graduate Medical and Surgical Courses in the campus. With the amenities now available and to be provided in the years to come, it is the hope and prayer of the founders that this Medical College, with its allied courses and the multi-specialty hospital will grow into an Institute of Medical Sciences and will earn fame as a great Medical Institution all over India and abroad.

We expect dedicated, selfless, sacrificial services from each and every member of the teaching staff, non-teaching staff, nursing staff, administrative staff, medical and nursing students, their parents, the well wishers and all those who, in one way or the other, happen to be associated with this God-given institution. We take pride that this institution is our own and its growth and development are jointly fully in the hands of the management, faculty and its staff.

The duration of the course is four and half years followed by a period of Compulsory Rotary Residential Internship (CRRI) for one year. The rules regarding the method of selection to the MBBS Course and other rules regarding the admission process are provisional and subject to the guidelines, orders and instructions issued by the Government, Medical Council of India, Admission Supervisory Committee and other competent authorities from time to time. All the applicants seeking admission to the MHA Course for the academic year 2019-2020 are bound by the final decisions of the above mentioned statutory bodies and Courts of Law.

VI. MHA COURSE, 2019-2020

The College of Hospital Administration was started during 2012-2013 with the approval of The Government of Kerala as per GO. (MS) No.351/12/H&FWD dated 22/10/2012 for starting 2 year Master of Hospital Administration course with a student intake of 10. The course is affiliated to Kerala University of Health Science (KUHS), Thrissur from the Year 2012-2013.

As per the notification No.14393/AC II/PM/A3/KUHS/2017 dated 11/04/2019 of KUHS Thrissur, the continuation of provisional affiliation to MHA course with an intake of 5 students during the academic year 2019-2020 is sanctioned.

VII. SAHYA

SAHYA brain child of MHA was a one day national conference was held by the Department of MHA gave insight to students and administrators about the changing health care trends and conflicting challenges in the field of hospital administration. The conference offered the participants dynamic discussion with national experts as well as successful administrators from different part of India. The panelists and speakers of the conference addressed in their presentations the current trends in **SMART Hospital Administration** techniques and tactics as well as challenges and solutions. The conference also gave major opportunity for exchanges between the representatives of hospital administration and public health.

XVI. CODE OF CONDUCT

Every student is required to adhere strictly to the code of conduct.

XVII. DISCIPLINE

RAGGING

Ragging is not acceptable behavior on the campuses of Dr. SMCSI Medical College. It is illegal according to the Law of the land to commit, participate in, abet or propagate “ragging”. The institution will deal firmly and strictly with all instances of ragging. If any incident/s of ragging comes to the notice of the authorities, the concerned student/s will be given liberty to explain. If the explanation is not satisfactory, the authorities will expel the student from the institution, in view of direction of the Hon’ble Supreme Court in SLP No.24295/2006 dated 16/05/2007 and CA No.887/2009 dated 08/05/2009 and notification no. 6698/KUHS/DEAN/SA/2015 dated 02/08/2015 of the Kerala University Health Sciences, Thrissur as Listed below:

What Constitute Ragging

- Any conduct by any student or students whether by words spoken or written or by any act which has the effect of teasing, treating or handling with rudeness to a fresher or any other student.

- Asking any student to do any act which such student will not in the ordinary course do or generating a sense of shame to fresher or any other student.
- Any act by a senior student that prevents or disturbs the regular academic activity of any other student or fresher.
- Exploiting the services of a fresher or any other student for completing the academic tasks assigned to an individual or a group of students.
- Any act of financial extortion or forceful expenditure burden put on a fresher by other students.
- Any act of physical abuse, including sexual abuse, homosexual assaults, stripping, forcing obscene causing bodily harm or any other damage to health or person.
- Any act or abuse by spoken words, emails, posts and public insult to a fresher.
- Any act that affects the mental health and self confidence of a fresher or any other student.

Possession of Illicit Drugs, Alcohol and Smoking

Smoking is not permitted in public areas and on the campuses of Dr. SMCSI Medical College. Students should not consume or serve alcohol on any occasion within the campuses of Dr. SMCSI Medical College. Forcing a fellow student to consume alcohol would be grounds for severe disciplinary action. The Indian penal code classifies obtaining, keeping or passing on banned drugs (such as marijuana, cocaine, heroin etc) as a criminal offence. Possession or use of banned drugs will result in expulsion from the college.

TENTATIVE SCHEDULE OF ADMISSION UNDER MANAGEMENT QUOTA

Issue of application	:	01.06.2019
Last date of receipt of application	:	30.06.2019
Date of Interview	:	05.07.2019
Announcement of results	:	10.07.2019
Date of joining to college	:	11.07.2019-25.07.2019
Starting of class	:	01.08.2019

College Anthem

Lo, the banners fly high!
Across the blue sky
A shimmering golden with deep Burgundy
Hail the Lord, God of hosts!
Our commander we boast!
Let all Earth stand in awe of his Power and Glory!
We march forth with honour
Through every nook and corner
Bringing healing and sunshine to all in need

Here in God's own country
Where beauty is bounty
Fringed with mountains and valleys and dotted with lakes
United we stand to serve God and Man
And fulfill our great mission as we have been taught.
