The most important purpose behind the establishment of this College is to further the healing ministry of our church commenced by the missionaries more than a century ago and continued by those who served the Medical Mission so far, sacrificing all their personal comforts. They are our role models and inspiration that led us to embark upon the enormous venture of establishing a Nursing College. Our endeavor will always be to produce from this College morally upright, intellectually equipped and spiritually committed candidates willing to serve humanity at large with a missionary zeal. We will do everything possible, curricular as well as extracurricular, to achieve this noble goal. Many have tirelessly labored for the establishment of this college. It is my fervent prayer that all those who choose this institution for their professional study be blessed by God Almighty so that they become a great blessing to humanity.

## **II. HISTORY OF THE MEDICAL COLLEGE HOSPITAL IN BRIEF:**

The multi-specialty Hospital at Karakonam, as we see it today, has grown out of a very small dispensary established in 1894 as a community medical sub centre of the famous Neyyoor Hospital founded by Dr. Arthur Fells, a missionary doctor of Neyyoor sent by the London Missionary Society (LMS). After India became independent and the foreign missionaries left, the Neyyoor Medical Mission was managed by the erstwhile South Travancore Medical Mission of the South India United Church (SIUC). In 1947, SIUC became part of the CSI. The hospital at Karakonam, which came under the Kanyakumari diocese, was later taken over by the Medical Mission of the South Kerala Diocese in the year 1975.
