

S. NO	FACULTY NAME	TITLE	NAME OF THE JOURNAL	INDEXING	AUTHOR POSITION	YEAR OF PUBLICATION	VANCOUVER STYLE CITATION
1	Dr.Shoba Kurian	Antimicrobial resistance pattern of pathogenic bacterial isolates from lower respiratory tract infections in South Trivandrum district, Kerala.	International journal of Microbiology	-	2 nd	2025	Dr. L Suresh Babu, Dr. Shoba Kurien. Medpulse International journal of Microbiology. September 2025;37(2):01-13.
2	Dr.Shoba Kurian	Clinical isolates of Staphylococcus lugdunensis:Microbiological characteristics,identification and antibiotic susceptibility.	European Journal of cardiovascular medicine	Embase Indexed	4 th	2025	Deepa PS, Latheef LL, Sarin JH, Pulikottil SK. Clinical isolates of Staphylococcus lugdunensis: microbiological characteristics, identification, and antibiotic susceptibility. " <i>Eur J Cardiovasc Med.</i> 2025;15(6):587-589.
3	Mrs. Deepa P S	Clinical isolates of Staphylococcus lugdunensis: Microbiological characteristics, identification and antibiotic susceptibility.	European Journal of cardiovascular medicine	Embase Indexed	1 st	2025	Deepa PS, Latheef LL, Sarin JH, Pulikottil SK. Clinical isolates of Staphylococcus lugdunensis: microbiological characteristics, identification, and antibiotic susceptibility. " <i>Eur J Cardiovasc Med.</i> 2025;15(6):587-589.
4	Mrs. Deepa P S	Pathogenicity, incidence and antibiotic susceptibility of Moraxella catarrhalis in Lower Respiratory tract infections: A comprehensive study from a tertiary care hospital'	European Journal of cardiovascular medicine	Embase Indexed	3 rd	2025	Latheef L, <i>et al.</i> Pathogenicity, incidence, and antibiotic susceptibility of <i>Moraxella catarrhalis</i> in lower respiratory tract infections: a comprehensive study from a tertiary care hospital. <i>Eur J Cardiovasc Med.</i> 2025;15(6):11–19.

5	Dr. Sarin J .H	Clinical isolates of Staphylococcus lugdunensis: Microbiological characteristics, identification and antibiotic susceptibility.	European Journal of cardiovascular medicine	Embase Indexed	3 rd	2025	Deepa PS, Latheef LL, Sarin JH, Pulikottil SK. Clinical isolates of Staphylococcus lugdunensis: microbiological characteristics, identification, and antibiotic susceptibility. " <i>Eur J Cardiovasc Med.</i> 2025;15(6):587-589.
6	Dr. Sarin J .H	Melioidosis: an unusual presentation as mycotic pseudoaneurysm of Left Superficial Artery.	Journal of Microbiology & Infectious diseases.	DOAJ	1 st	2018	Harison S, Bhat P, Rai R. Melioidosis: an unusual presentation as mycotic pseudoaneurysm of Left Superficial Artery. <i>Infect Dis</i> 2018.08(04)162-164.
7	Dr. Leeja Latheef .L	Pathogenicity, incidence and antibiotic susceptibility of Moraxella catarrhalis in Lower Respiratory tract infections: A comprehensive study from a tertiary care hospital'	European Journal of cardiovascular medicine	Embase Indexed	1 ST	2025	Latheef L, <i>et al.</i> Pathogenicity, incidence, and antibiotic susceptibility of <i>Moraxella catarrhalis</i> in lower respiratory tract infections: a comprehensive study from a tertiary care hospital. <i>Eur J Cardiovasc Med.</i> 2025;15(6):11–19.
8	Dr. Leeja Latheef .L	Clinical isolates of Staphylococcus lugdunensis: Microbiological characteristics, identification and antibiotic susceptibility.	European Journal of cardiovascular medicine	Embase Indexed	2 nd	2025	Deepa PS, Latheef LL, Sarin JH, Pulikottil SK. Clinical isolates of Staphylococcus lugdunensis: microbiological characteristics, identification, and antibiotic susceptibility. " <i>Eur J Cardiovasc Med.</i> 2025;15(6):587-589.
