RBCMET– A three day program on Medical Educational Technologies aimed at conceptual training of the medical teachers on domains of learning; framing educational objectives from competencies; methods of teaching-learning activities; types of assessment & AETCOM (Attitude, Ethics & Communication). It was successfully conducted for the faculty members of our college on 16th to 18th March, 2021. It took place under the eminent leadership of Dr. Sheldon Goudinho with the support of our management. We were able to train 30 faculty members- 2 Professors, 12 Associate Professors, 15 Assistant Professors & 1 senior resident belonging to various phases.

Conduct of the Program

On 16th March 2021 at 9AM, our VIII RBCMET was inaugurated in Gallery hall by our honourable Medical Superintendent, Dr. Baburaj & Dr. Saritha Shenoy, NMC observer along with the Facilitators & participants. After an official inauguration, the 3 day program was conducted with professionalism and it ended on 18th March, 2021 by 3.30pm. We were appreciated for the effective sessions, time management & the excellent team work.
